

# Women's Gathering

Saturday, October 12, 2013; 9:00 a.m. - 1:00 p.m.

Souderton Mennonite Church

## SISTERING: THE TIES THAT BIND (Without Strangling)

Join with other Eastern District and Franconia Mennonite Conference women as we share from our experiences with being supported, or supporting others, and talk about how we do this without choking the life from one another.

We hope that all who attend will be able to identify areas in their own lives, and in those whom they know, where God's invitation to "sister" one another, locally and globally, might be heard and responded to.

*No child care available during the gathering. Light refreshments will be served. \$10 registration fee due at door.*
